Re: Forests NSW Breaches of RFA/IFOA cl 31

Dear Forestry Enforcement Unit,

We are reporting yet more breaches of IFOA conditions.

Clause 31 of the IFOA states:

31 (1) From 1 July 2002, SFNSW is to progressively record the following information relating to logging operations in the Southern Region:

(e) where harvesting has been completed, the area that has been logged together with the total area of the relevant net harvestable areas.

We have attached the CI 31(4) IFOA Report 2009 and bring to your attention columns C D and E, lines 19 through to 70 which are blank.

This reportage does not comply – SEFR is requesting a version that does.

Kind Regards

L Stone
